Additionally, a **preview** consisting of **at least 50 edited photographs** will be delivered within **no more than 10 business days** after the event.

RAW files are **unedited**. If editing of RAW files is required, the following rates apply:

- 0–100 photos: Free of charge

- 251–500 photos: \$425 USD
- 501–900 photos: \$800 USD

The **video deliverables** include the following:

- One **15–20 minute documentary video**
- One **20-second social media reel**

All edited videos will include **4K drone footage**, where available and permitted. Final delivery of the edited video material will be made within a maximum of **80 business days** (expedited delivery) after the day of the **event**.

RAW video footage is included with this package. Please note that RAW footage can only be revised **once**; therefore, it is important to carefully review the material before requesting any changes.

If “THE CLIENT” requires delivery sooner than the timelines specified above, **express delivery** is available at an additional cost:

- **Videography express delivery:** \$900 USD — delivered within **20 business days**

The photographic material generated during the **Engagement Shoot** (estimated **100–150 photographs**) will be delivered within a maximum of **20 business days** after the session date. A **preview** will be delivered within **no more than 7 business days** following the session.

The photographic material generated during the **Post-Wedding Garden Party** (estimated **300–350 photographs**) will also be delivered within a maximum of **20 business days** after the event date. A **preview** will be delivered within **no more than 7 business days** following the event.

In both cases, the delivery will include **edited images** with basic color correction as well as **all RAW digital files** from each session.

EFECE creates **documentary-style coverage**, prioritizing authentic moments and storytelling. Any specific requests for group or individual photos **must be communicated in advance** of the event. Failure to make such requests beforehand waives the right to later claims regarding missing shots.

“THE CLIENT” is responsible for obtaining any necessary **permits** and covering **associated fees** for photography or videography at specific locations.

EFECE is **not liable** for delays in family or group sessions caused by circumstances beyond their control, including but not limited to **traffic, weather conditions, or late arrivals**.

FIFTH: METHOD OF DELIVERY

The photographic material will be delivered digitally via an online gallery or private website link.

The video will also be delivered digitally on a website.

SIXTH: EDITS

All delivered images include **basic editing and color correction**, aligned with EFECE’s **documentary-style and aesthetic vision**. This may include general enhancements applied at the discretion of the team to preserve the integrity and visual consistency of the final gallery.

For events taking place in **public or uncontrolled spaces**, the photographer will be **intentional** when composing each shot. In situations where people or distracting elements appear in the background, **basic edits**, such as selective blur or subtle adjustments, may be applied when they serve the overall look and feel of the image. If the image remains visually balanced and aesthetically pleasing, these elements may be left as part of the final photograph.

Requests for **advanced edits**, including but not limited to the full removal of people or objects, specialized retouching, or composite imagery (e.g., adding or removing individuals), are **not included** in the base package and will incur additional fees as follows:

- **Photoshop retouching** (e.g., object/person removal, background cleanup): **\$300 USD per image**
- **Photomontage** (e.g., adding/removing people, AI-based edits): **\$500 USD per image**
- **Color correction re-edits** after final delivery:
 - Up to 100 photos: **\$300 USD**
 - 101–500 photos: **\$400 USD**
 - 501–900 photos: **\$600 USD**
- **Converting images to black & white (or vice versa)** is **free of charge**

All edit requests must be submitted within **45 calendar days** of the final gallery delivery. Approved changes will be applied directly to the final files; **no new preview gallery** will be issued for re-edits.

SEVENTH: BACKUP

EFEGE will retain a backup of the photographs for six (6) months from the event date. After this period, all data may be permanently deleted. “THE CLIENT” may not request a refund or claim delivery of the files beyond this period.

EIGHTH: CREATIVE TEAM

The CLIENT hereby acknowledges and agrees that all photographic and videographic services contracted under this agreement shall be executed exclusively by members of EFEGE’s internal team. Said team will consist of one (1) lead photographer, one (1) lead videographer, one (1) second photographer, and one (1) second videographer, all of whom shall be designated solely under the creative direction of EFEGE.

The selection and assignment of personnel shall be made based on the artistic and aesthetic alignment between EFEGE’s visual standards and the CLIENT’s expressed vision for the EVENT. All team members shall be qualified professionals with proven experience within the brand’s production framework. The identity of assigned personnel will not be disclosed in advance, as the final creative result is considered a product of EFEGE’s collective methodology and internal processes.

Upon receipt of the second payment installment (50% of the total contract value), EFEGE shall provide the CLIENT with a Creative Preparation Guide (Next Steps), which shall include instructions for submitting a personalized mood board and completing a questionnaire. Both documents are mandatory and serve as essential tools for aligning the CLIENT’s vision with EFEGE’s creative execution.

By signing this agreement, the CLIENT expressly accepts and agrees to place full trust in EFEGE’s creative process, which is based on years of professional experience, a consistent visual identity, and a continuously evolving artistic language.

In the event that the CLIENT is significantly dissatisfied with the creative style or sample work presented by the assigned lead photographer or videographer —defined as dissatisfaction exceeding seventy percent (70%) of the material shown during the pre-event preview phase— EFEGE may, at its sole and exclusive discretion, reassign the respective team member, subject to internal availability and scheduling constraints.

A single creative consultation call with the assigned creative team will be scheduled no later than thirty (30) business days prior to the EVENT date. No additional creative calls, revisions, or team changes shall be granted beyond this consultation.

NINTH: EVENT ITINERARY

EFECE requires a detailed itinerary at least one (1) month before the event to coordinate logistics. "THE CLIENT" must provide accurate addresses and contact information for all venues and planners.

Photography services are for a maximum of 12 consecutive hours, beginning upon the team's arrival at the event and cannot be split.

TENTH: EXTRA HOURS

Extra hours are billed at \$270 USD per hour per camera. Payment for extra hours must be made on the event day or within seven (7) days afterward. EFECE will notify the client 30 minutes before coverage ends to decide on additional time. Failure to pay for extra time will result in withholding the final deliverables.

ELEVENTH: EVENT CONTACT

"THE CLIENT" must designate a representative who can communicate updates, changes, and make real-time decisions on their behalf during the event.

TWELFTH: MEALS

EFECE's team must be served meals at the same time as guests to ensure no moments are missed. The meals must be equivalent to the main guest dish. Boxed meals or leftovers are not acceptable. If meals are not provided, the team reserves the right to leave the event premises to acquire food. A safe space must be provided to store equipment and for the team to take their meals.

THIRTEENTH: TERMINATION

If "THE CLIENT" cancels the event, the deposit will not be refunded. If the cancellation occurs within 30 days of the event, the full balance of the contract becomes due. EFECE may terminate the agreement in advance if "THE CLIENT" breaches any clause.

FOURTEENTH: DATE CHANGES

A change of date within the same calendar year is subject to availability and a \$900 USD penalty. Changes to the following year require a new deposit and are also subject to availability.

FIFTEENTH: TOTAL CANCELLATION

If the event is cancelled for any reason (e.g., weather, health issues, pandemic, decision not to marry), the deposit is non-refundable and cannot be transferred to another date or client.

SIXTEENTH: INTELLECTUAL PROPERTY

EFECE retains all intellectual property rights over the photographic and audiovisual material produced during the event. The Client acknowledges and agrees that EFECE may use such material for promotional, commercial, or editorial purposes, including but not limited to social media, websites, advertising, and printed publications. Publication or use of said material is not guaranteed, and no refunds shall be issued based on whether the material is published or not.

Notwithstanding the foregoing, EFEGE agrees to respect the privacy of the Client and their guests. Any content that may reasonably be considered private, intimate, or sensitive in nature including, but not limited to, couple-only moments or emotionally vulnerable scenes shall not be shared publicly without the Client's prior written consent.

SEVENTEENTH: SECURITY

"THE CLIENT" must ensure compliance with all relevant health and safety laws. EFEGE is not responsible for any penalties or legal consequences resulting from event non-compliance.

If the venue requires insurance to operate there, it will be the client's responsibility to pay and make the necessary arrangements to ensure everything is in order on the day of the event.

EIGHTEENTH: IMPOSSIBILITY

If lasers are used during the event, they may damage camera sensors. In such cases, the team is permitted to cease photographing for the duration. No claims may be made due to this interruption.

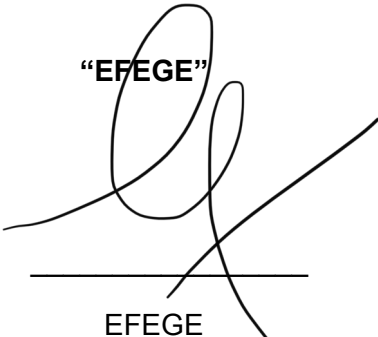

NINETEENTH: TRAVEL EXPENSES

"THE CLIENT" is responsible for covering all travel-related expenses incurred by "EFEGE", including transportation costs required to ensure full coverage of every special moment or event. Additionally, the client must provide for the photographers' meals during the weekend. These expenses amount to a fixed total of \$3,000 USD, which is already included in the final price and will not be subject to additional charges.

TWENTIETH: EXCLUSIVITY

"THE CLIENT" agrees that EFEGE will be the exclusive photography and videography provider. EFEGE is not responsible for missed moments caused by interference from third-party photographers and videographer not hired through this agreement.

This contract was generated in the city of Monterrey, Mexico on October 6th, 2025.
